

CONSTITUTION AMENDED

The general meeting of the members of the Association approved at its session, held on January 8, 2009, the following amendment to its statutes:

In Article 6 (Commencement of Membership) at the end of the article, the paragraph reading:

"- references, i. e. applicants for membership shall prove that they have successfully constructed at least three (3) football pitches with a synthetic turf for which the FACR Attestation was issued in favour of an applicant. Applicants shall attach these certificates to their application forms."

is replaced with the following paragraph reading:

"- references, i.e. an applicant for membership shall prove that in the period until December 31, 2008, he/she had successfully constructed at least three (3) football pitches with a synthetic turf for which the FACR attestation was issued in favour of an applicant or that, in the period after January 1, 2009, an applicant has successfully constructed on the territory of the Czech Republic at least three (3) football pitches with a synthetic turf for which the FIFA Certificate has been issued. Applicants shall attach these attestations or certificates to their application forms."

The following amendments were taken into account on April 24, 2009.
